Homicide Investigation

The Birmingham Police Department reports that detectives are conducting a homicide investigation. The incident occurred Monday, November 30, 2015 in the 5400 block of Wintergreen Ave.

The victim's name is being withheld pending next of kin notifications.

On Monday, November 30, 2015 around 9:40pm, officers from the West Precinct were dispatched to the listed location on a person shot. Upon arrival, officers observed a black male lying on the ground in the driveway suffering from what appeared to be a gunshot wounds to the body. Birmingham Fire and Rescue were called to the scene and attempted to treat the victim but the victim was pronounced deceased. Midfield police officers were also present at the scene.

Our preliminary investigation suggests the victim was riding in a car with his girlfriend before the victim got out the car for a few minutes to conduct some unknown business. The girlfriend stated she later heard several shots so she drove the car into Midfield's jurisdiction and called 911. Midfield police department transported the girlfriend back to the scene and notified Birmingham Police. This is an ongoing homicide investigation and additional information will be released as it becomes available.
